But wait. Commstrat is for post AOC and we're not there, correct? What messaging have we used to describe where we are currently? I'll check with Rich.

Either she utilizes the Comm strat messages or she pulls herself from the agenda and refers them to Joe V.

Subject: FW: FBC mtg agenda

Joan: This week is the Flathead Basin Commission meeting. We have had CFAC on the agenda for the last 2 years and I am typically asked to provide a short update as to status of the process. I asked Mike Cirian and Joe Vranka for an update to pass along. Mike let me know that there was a public meeting last week. Given the outcome of the public meeting and Senator Tester's response, what guidance can you give me about the update at FBC?
